Captain Kirk and Tilloch's Pirate Postcards

You will need a printer to print the template we've provided.
Alternatively a piece of paper or card will do fine.

1. Think of all the places Captain Kirk and Tilloch might sail to and write down all their names.
2. If they were to send a postcard from one of these places which one would they choose?
3. What would the postcard say? What would it look like?
4. Design the front of the postcard.
5. Now write on the back of it. Is it a funny message?
6. Cut out the front and back and stick them together to create the postcard.

Send it to us at : shona.baird@eastdunbarton.gov.uk
