# Captain Kirk and Tilloch

## Wooden Spoon Puppet Show

### Step 1 You will need:

- a wooden spoon
- some felt tip pens
- masking tape
- pipe cleaners
- some feathers
- some scrap material
- some colourful tissue paper

### Step 2 Create a Face

- draw a face on the inside of the wooden spoon using the felt tip pens.
- draw whatever funny face or expression you think will suit the puppet you are making.
- It could be a person, an animal, or anything you like.

### Step 3 Create a Costume

- decorate your puppet using masking tape to stick the scrap material and feathers. This is a lot less messy than using glue.
- stick them to the handle and create your puppets costume

### Step 4 Arms and Legs

- use the pipe cleaners to create arms and legs by twisting them around the handle

### Step 5 Make more wooden spoon puppets and put on a show

If you have a story that you really like and want to turn it into a puppet show, let this guide the puppet characters that you make.

Don't forget to email us your finished puppets at: [shona.baird@eastdunbarton.gov.uk](mailto:shona.baird@eastdunbarton.gov.uk)
